

“The earth is but one country
and mankind its citizens.”

Bahá'u'lláh

Who are the Bahá'ís?

- * An **open, global community** aiming to contribute to the advancement of society
- * **People** from **all** ethnicities, nationalities, social, cultural and religious backgrounds

What do Bahá'ís believe in?

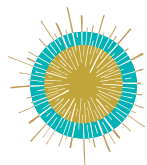

- * **Oneness** of **mankind** and **equality of all people**
- * Harmony between **science** and **religion**
- * **Spiritual** purpose of life
- * **Service to mankind** is the **highest station**
- * **All the Prophets of the world religions** are messengers from the same one true God. In this age the **Báb** and **Bahá'u'lláh** were charged with teaching the oneness of humanity and unity of religion.

What do Bahá'ís do?

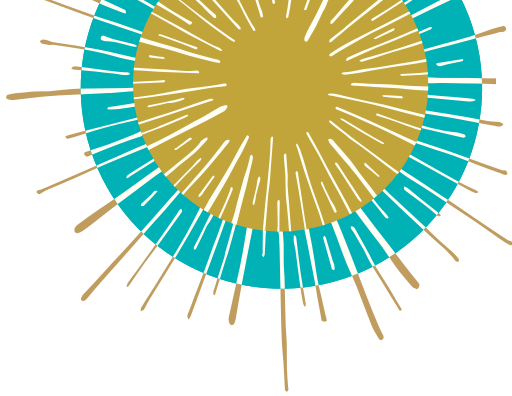

- * Individual development and refinement of character through **prayer and meditation, study** and **service to humanity**
- * Collective development by empowering **communities**, its **members** and supportive **institutions**

How are Bahá'ís organized?

- * There are institutions elected by the community that administer affairs on local, national and international levels. There is **no clergy**, and no individual leadership at any level.
- * **Donations** from **Bahá'ís only**, **voluntary** and **confidential**
